

3I/ALAS

Some thoughts on our
Interstellar Visitor. I know
Everyone has probably heard
of the thing. Is it a
Comet? Is it an Asteroid?
Is it something more?

There is a lot chatter online
about this thing. Some say
it is a alien Spaceship or
Probe. Others say it is the
Return of the anti-Christ.

I don't know what it is
But I am going to document
Daily leading up to it's arrival
and hopefully we get more
Clarity as to it's true
intentions. How could you
not be Interested?
